

This is a Graffiti VFX Collection URP package. You can choose to make your game.

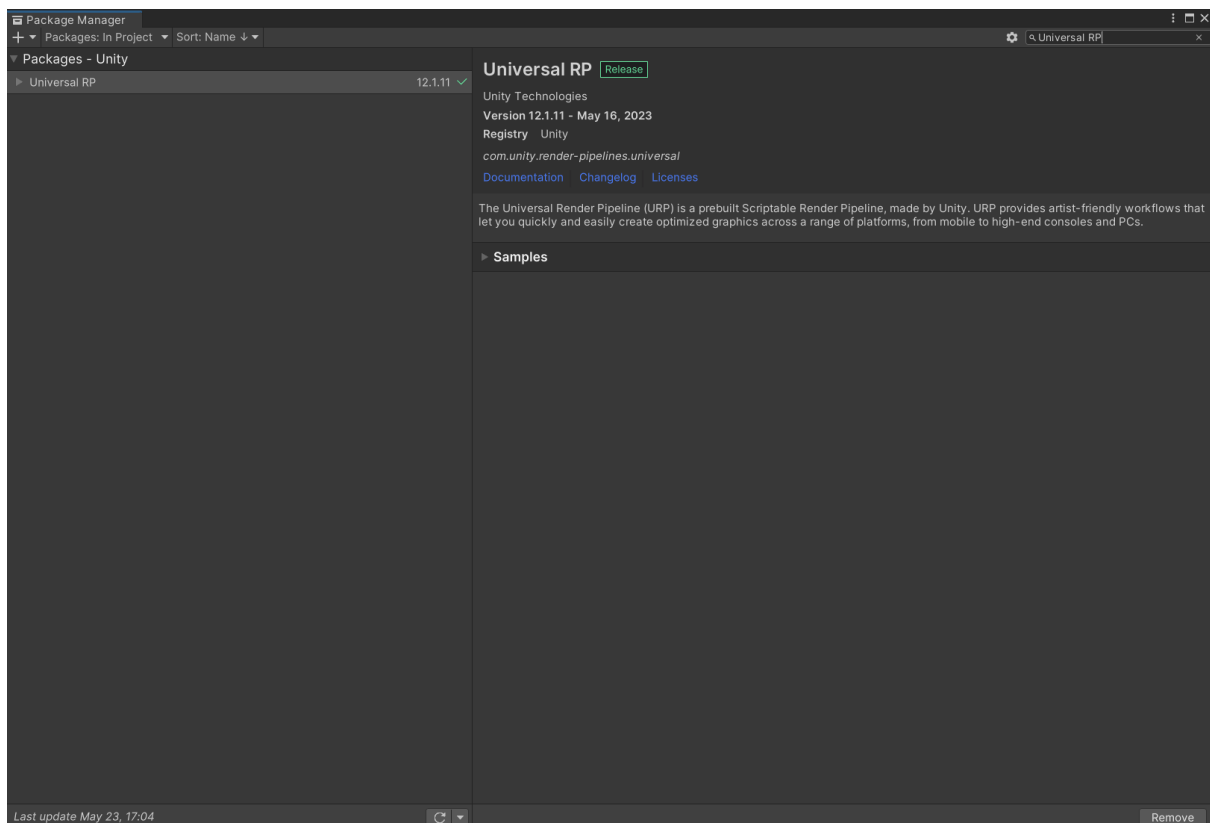

-You only change the size, color or change the textures so that it can be suitable with your game and to make the other awesome effects.

-You only need to put the prefabs to your projects.

-If you have any questions, Let send me mail. I will support you immediately!

Note: How to Fix Pink Error

-Install Uiversal RP:

-In Project Setting:

Go to Graphics
